ALUMINUM

The attractive and functional Latitude fire tables feature an all-aluminum construction and are well suited for both dining and deep seating applications. Whether for residential or commercial, Latitude combines style and function to create a fresh look in any outdoor space. As with all Homecrest fire tables, this piece sports a powerful burner (up to 65,000 BTUs) and comes with your choice of fire jewelry, as well as a secure key, natural gas opening, and black 3/4" aluminum fire burner riser.

PRODUCT FEATURE

Every Homecrest fire table features easy propane access, a removable key valve for flame control, and a standard burner riser to keep the table surface cool. We also offer glass guards, which are recommended for use in windy conditions to contain the flame.
