Sparkling-Contemporary-Distinctive Homecrest's new Patio Furniture

We have combined our recognized swivel rocker floating comfort with carefree Polyvinyl chloride straps in sunshine-bright colors. These individually suspended resilient straps conform for maximum comfort. They are fungus resistant, won't fade, stain or lose their shape. All welded steel frames are bonderized and finished in white baked-on enamel. Strap colors include Kentucky green, Florida orange, Alaska white, California yellow, Pacific turquoise and Mexican avocado. Any of the above strap colors may be alternated with white. Orange may also be alternated with yellow.

Model 63 Swivel Rocker combines Homecrest's proven swivel rocker floating comfort with the coolness and conformability of PVC straps. Available in all the sunshine-bright strap colors listed above, frame is white baked-on enamel. Overall height is 32 $\frac{1}{4}$ " , width 25" , seat width 21 $\frac{1}{4}$ " , depth 17 $\frac{1}{2}$ " , height 15 $\frac{1}{2}$ " . Shipping weight is 40 lbs. KD.

Model A21 table shown above has an expanded metal mesh top and adjusts in height from 15" for cocktails to 26" for dining. Finished in white baked-on enamel. Diameter is 21" , shipping weight 11 lbs.

Patio Umbrellas are now available in Homecrest patterns — made of triple laminate plastic in yellow Hamline with yellow exterior, green Holly Hill with avocado exterior and both blue Hamline and blue Holly Hill have turquoise exteriors. These handsome Crank-O-Matic umbrellas lock in any position. Diameter, 7½ feet, shipping weight 15 lbs.

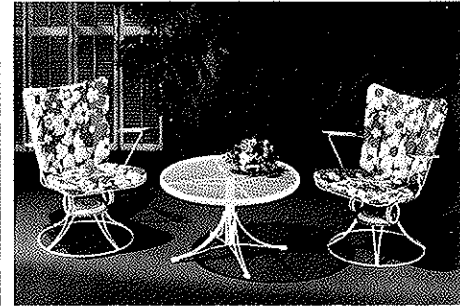

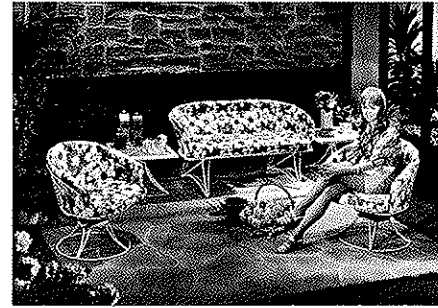

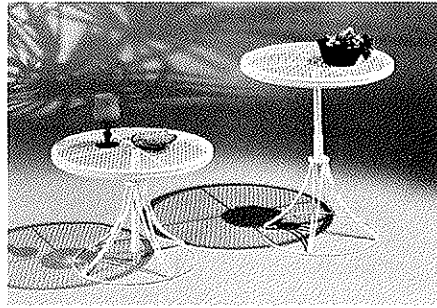

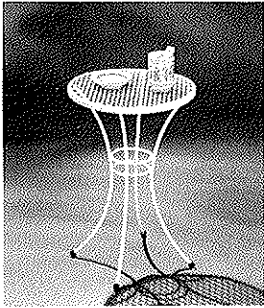

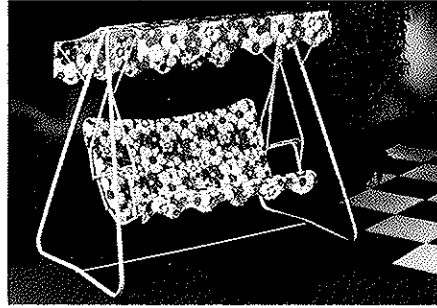

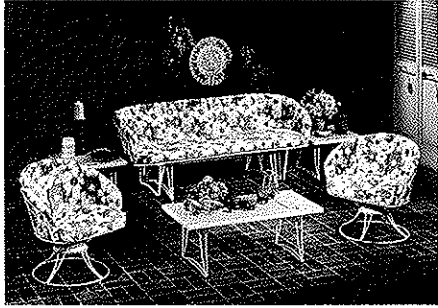

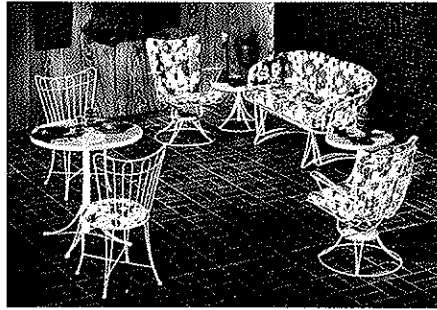

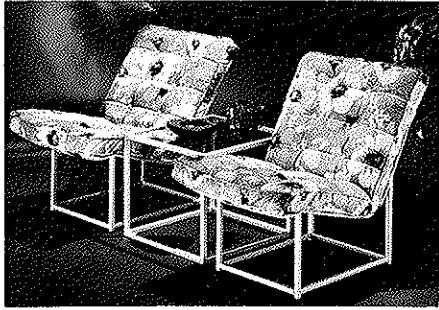

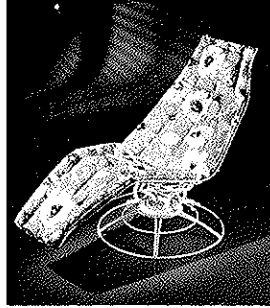

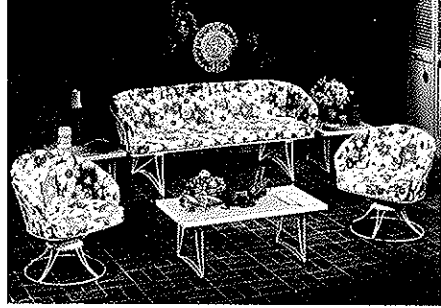

Model 67 Strap Chair offers all the good looks of PVC strap vinyl with Homecrest contoured comfort and contemporary styling. Can be used with many patio groups or as an attractive patio dining chair. Heavy gauge welded steel frame is bonderized and finished in baked-on white enamel. Overall height is 33¾", width 22", seat width 21½", depth 17½", height 18". Weight 28 lbs. (Shipped 2 per carton.)

Handsome fiberglass top table in textured white or slate grey finish is as durable as it is easy to clean. The graceful welded steel pedestal base is finished in white baked-on enamel. F2642U table is 42" in diameter and 26" in height. Shipping weight 68 lbs. KD.

Model 68 High Back Swivel Rocker provides lean-back and relax comfort with PVC strap construction. Steel frame is finished in white baked-on enamel. Overall height 43¾", width 25", seat width 21¾", depth 17½" and height 15½". Shipped KD at 44 lbs.

There are so many ways that Homecrest patio furniture adds profits to your store.
