### Wood Products or Components

Teak is both beautiful and durable hardwood. After being outdoors for a period of time, it will weather to a silver-grey color (see below). The time period depends upon the amount of sunlight and rain the wood is exposed to. As the wood expands and contracts during this initial exposure, checking can occur on the edges. This is normal and will not affect the quality or durability of the furniture. Many people prefer the silver-grey color, but should you wish to maintain or bring back the original wood color, a teak cleaner is recommended. To clean the wood and leave the silver-grey color, use a mild soap and water.

We do not recommend using any type of oil when the furniture is used outdoors as this can cause mildew and irregular coloring to occur.

Weathered Silver-Grey Color

With chair in up-right position, **enter** from either side of leg rest.

Lean back to **rotate** chair to your favorite position for relaxing.

**Tighten** the two tension knobs to lock chair in position. **Loosen** these when ready to exit chair.

**Exit** chair by raising upper body, grasping arm rests, and pulling forward. Keep legs on leg rests for balance.

## Frame Finishes

Homecrest offers nine different frame finishes in a range of colors and textures to meet the customer's distinctive taste. The quality demanded in fine casual furniture is evident in the cleaning, priming, and final coat process used in all Homecrest products.

### Care & Maintenance

Homecrest recommends that in order to keep metal furniture looking its best, it should be washed regularly with mild soap and water and twice a year apply a good quality car wax.

For textured frame finishes, use a clear liquid wax.

## Fabric Care Guide

You can select from over 80 fabrics in a variety of colors and constructions, many of which are exclusive to Homecrest. We offer the best fabrics available to ensure their unique characteristics will withstand the test of time.

### **COMFORTEXT®, COMFORTEXT® JACQUARD WEAVE, COMFORTEXT® SPECIAL WEAVE, AND COMFORTEXT® BLEND FABRICS**

**Comfortext®** stripes and solid patterns are open weave fabrics constructed of thermal bonded vinyl coated polyester threads. These fabrics offer strength and durability, easy cleanability, and quick drying times. UV stabilizers and mildew inhibitors are added to minimize the effects of prolonged outdoor exposure.

**Jacquard and Special Weaves** use the same tough Comfortext® threads. The weaving process produces the appealing designs of the jacquards and the very durable, heavyweight special weaves.

**Comfortext® Blends** incorporate acrylic threads to produce an intricate pattern with all the above advantages plus it offers a softer hand and more color intensity.

**Cleaning instructions:** Address stains promptly. Use warm water with a mixture of strong liquid detergent, and chlorine bleach (one cup to three gallons of water). Always rinse thoroughly. Pat to remove excess water and allow to air dry.

### **ACRYLICS, ACRYLIC BLENDS, AND OLEFINS**

This category includes solid colors, stripes, standard jacquard patterns, and the new and dramatic tapestry weaves. By using solution-dyed threads, which are then woven into a pattern, the results are the look and feel of fine indoor fabrics that are recommended for outdoor and indoor use. UV stabilizers and a protective coating are applied to produce a fabric that is very durable. Another advantage is the easy cleanability.

**Cleaning instructions:** Address stains promptly. Add 1/2 cup of chlorine bleach per three gallons of mild soap solution. Always rinse thoroughly. Pat to remove excess water and allow to air dry.

### **ACRYLIC PRINTS AND POLYESTER PRINTS**

Printed fabrics offer an infinite variety of color and pattern options. The design is printed on the base cloth of either 100% acrylic or 100% polyester. We specify only the highest quality UV stable inks and then add a protective coating to ensure the reliability of our printed fabrics. Printed fabrics are recommended for outdoor and indoor use but must be cared for slightly different.

**Cleaning instructions:** Address stains promptly. Use a solution of lukewarm dishwashing liquid. Sponge thoroughly with clear water. Pat to remove excess water and allow to air dry.

**Do not use harsh cleaners or bleach on printed fabrics.**

For specific stain removal on all of Homecrest's fabrics, please see the cleaning and maintenance section of our warranty information book.

## Vinyl Straps

|                                                                                     |                |                                                                                      |             |
|-------------------------------------------------------------------------------------|----------------|--------------------------------------------------------------------------------------|-------------|
|    | Pebble         |    | Sea Foam    |
|    | Papaya         |    | Lemon       |
|    | Plum           |    | Burgundy    |
|    | Sienna         |    | Black       |
|    | Maple          |    | White       |
|    | Mocha          |    | Cameo       |
|    | Saddle         |    | Sandpiper   |
|   | Chocolate      |   | Oyster      |
|  | Kelly Green    |  | Platinum    |
|  | Patina         |  | Nickel      |
|  | Midnight Blue  |  | Red Granite |
|  | Jade           |  | Cashmere    |
|  | Wedgewood Blue |  | Coral       |

Homecrest uses only premium 100% virgin vinyl strap with UV and mildew inhibitors. A total of 26 colors are available.

### CARE & MAINTENANCE

Clean with a mild solution of warm water and dish soap. Petroleum based cleaning agents should be avoided. Suntan lotion, insect sprays, and chemical solvents are harmful to the strap surface and should be immediately removed with solution recommended.
