# THE HOMECREST RIVIERA SWIVEL ROCKER

Model 90 RIVIERA Swivel Rocker

**W**HAT could be more inviting than a high-back swivel rocker on the patio? Sit back on foam-filled cushions over a scientifically contoured seat. Float as you rock on time tested rocker springs. Your choice of washable, colorful prints. Reading, chatting, or just soaking up the summer sun, you'll enjoy it more in the Riviera.

**MODEL 90, RIVIERA SWIVEL ROCKER**, is beautifully finished in white, baked-on enamel over welded and bonderized steel for lasting durability. Base has two specially designed rocker springs on an eight-bearing, dome-shaped swivel. Washable, lift-off, polyether foam pad and headrest pillow are upholstered with decorator fabrics in floral patterns. Height of seat 15", width of seat 23", height of back 40". Shipped KD—42 lbs. Assembles with only four bolts.

See back page for cover selections and more cushion and finish information.

# SUMMER SET

*will fill your summer with more vacation hours!*

**H**OMECREST brings the relaxing comfort of its swivel rockers to the patio. In the Bermuda Summer Set shown here and the Carousel Summer Set at the right, supremely comfortable and convenient patio rockers are combined with attractive tables to help fill your summer hours with more enjoyment.

The tables are ruggedly constructed with tops of lacy, diamond mesh. The low, lazy-susan table with its swivel top is delightfully convenient. A choice of three sizes in the

27-inch height is just right for cards, snacks, or dinner.

Swivel rockers have all-welded steel construction—smooth, eight-ball, swivel bearings — time-tested floating-comfort rocker springs — roll-away chair base for moving without lifting — baked-on enamel finish over bonderized steel — washable foam cushions upholstered in cool summer fabrics.

All tables and swivel rockers are finished in white baked-on enamel.

*The Bermuda Set* (Model 2730S2 shown)

*The Carousel Set* (Model 1630S2 shown)

*Mr. Dealer:*

New rocking chair comfort for the patio brings new summer-time profits for you.

Sales tested last summer, these rockers and the two 30" tables were a sell-out wherever they were shown. This year, we have added 36" and 42" tables and improved both the finish and the table design. Dealer response at the 1962 markets and in the territories has been wonderfully enthusiastic.

You too can profit with this new **HOMECREST** comfort-fashioned furniture.

## PATIO PARTY SET... *for casual living with a flair*

A coffee break or a party — it will be more fun when served on one of these smart new tables. Comfortable new refreshment chairs and tables with lacy, diamond-mesh tops and roll-away bases add flair to your casual living. Like all Homecrest furniture, this set is designed to give you lasting beauty and durability. Finished in white baked-on enamel with your choice of pattern and color in plastic or fabric cushion covers, the Homecrest Patio Party Set comes with two or more chairs and choice of table size. (An umbrella ring is optional at extra cost in the 42" table.)

Style 58 chair has removable seat upholstered in a choice of plastic or fabric. Legs have plastic guides. Seat height 17", diameter 16". Overall height 35".

*Additional chairs are available for any of these sets.*

*\*For umbrella stability we recommend using a weighted umbrella stand with 2742U table.*

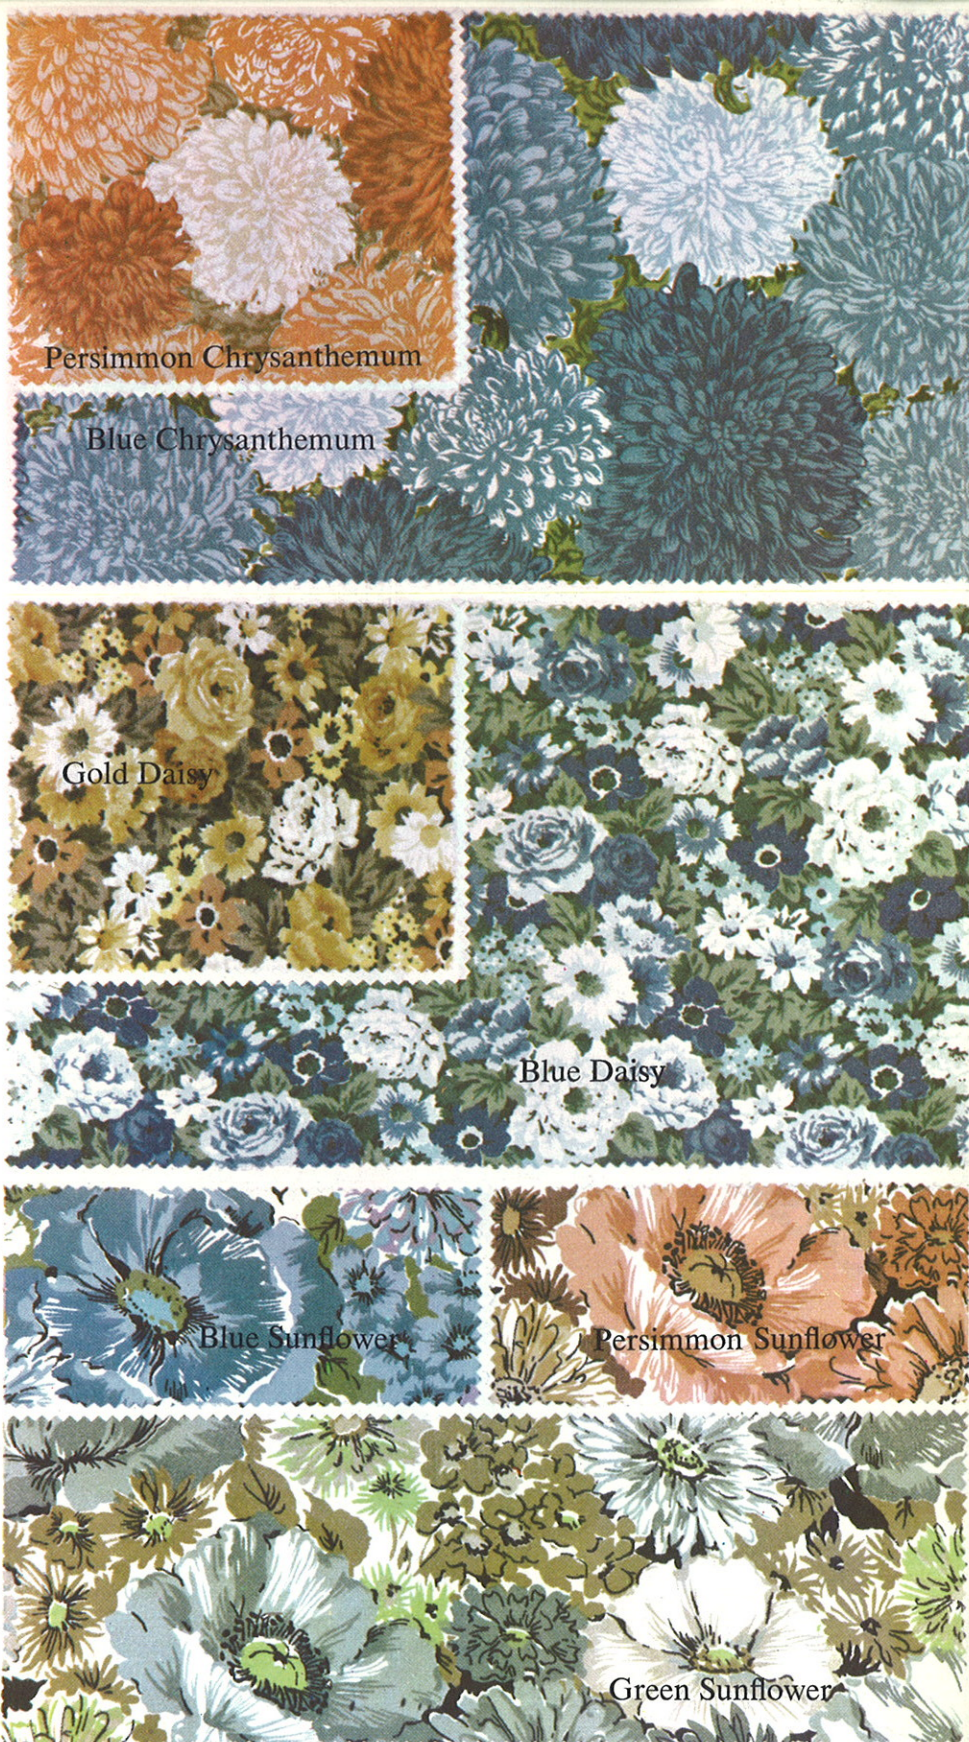

Look at the extras built into Homecrest fine furniture . . .

- STEEL CONSTRUCTION, electrically welded at every joint.
- Special DUAL ROCKER SPRINGS give you floating comfort.
- EIGHT STEEL BALL BEARINGS in the dome-shaped swivel assure smooth, trouble-free turning.
- SUPERIOR FINISH — All Homecrest tables and chairs have a baked-on enamel finish which is resistant to chipping and peeling. The welded frame is first completely bonderized, a process in which the metal is cleaned with a hot caustic solution, hot rinsed, phosphate coated, rinsed again, and then neutralized. All components are then completely immersed in a lead chromate primer, dried, then dipped and sprayed with mar-resistant, white enamel and baked at high temperature to assure a smooth hard surface. Bronze and black finishes are also available.
