## NATURAL SERIES

The distinct texture and natural colors of Homecrest's Shadow Rock fire tables complement any outdoor furniture set beautifully. These handcrafted fire table tops feature subtle texture with a natural edge and are able to withstand the test of time and weather, season after season. Homecrest fire tables offer a powerful burner (up to 65,000 BTUs) and come standard with your choice of fire jewelry, as well as a secure key and black 3/4" aluminum fire burner riser.

## AVAILABLE TOP COLORS

**Note:** Each top is individually handcrafted and will vary in color. Colors are representations, refer to an actual sample.
