ALUMINUM

Latitude's clean, slated aluminum tops can on one hand play as boardwalk inspired for a more beachside look, or on the other hand play as more rustic cabin-inspired for the feel of a luxury ski resort. No matter what style an outdoor space is trying to achieve, Latitude fire tables can fit and elevate the aesthetic. Homecrest fire tables offer a powerful burner (up to 65,000 BTUs) and come standard with your choice of fire jewelry, as well as a secure key and black 3/4" aluminum fire burner riser.
