

 Cushions are secured to withstand wind and ensure long-lasting performance.

AVA

DREAMCORE™ CUSHION | HDPE

Our Ava collection seamlessly blends modern sophistication with the beauty of nature. Ava's architectural A-frame profile boasts a rustic charm while offering the unmatched durability of HDPE. Visually resembling natural wood, this sturdy HDPE frame will stand the test of time against the elements without compromising on style. Sumptuous cushions featuring DreamCore technology beckon you to unwind in your outdoor sanctuary.
