BLAIR

DREAMCORE™ CUSHION | ALUMINUM

Elevate your outdoor seating experience with our Blair collection. Blair redefines relaxation with its plush cushions and sleek metal back design features. The 8" cushions featuring DreamCore technology mean you can sink into a soft seat, enveloped in comfort. Crafted with precision and durability in mind, Blair's all-aluminum frame, ensures longevity and stability for years to come. Designed for versatility, Blair offers a variety of modular pieces that allow for unlimited configurations, creating arrangements tailored to your unique needs.

Cushions are secured to withstand wind and ensure long-lasting performance.

Available in: C Cushion

*Units are not standalone pieces. We recommend using end units with arms on all modular configurations due to exposed brackets on armless versions.

PRODUCT FEATURE

Select any one of our durable frame finishes for Blair's metal back pieces. Blair's frame is completely coated with a textured powder-coat finish. Known as an industry leader for our revolutionary paint line, our eco-friendly finishing department uses modern powder-coat frame finish colors on all of our furniture frames, tables, and bases. With Homecrest's experience and technology, your outdoor space will endure the seasons, year after year. Visit our website for frame finish information and options.
