Available in: **C** Cushion

Cushions are secured to withstand wind and ensure long-lasting performance.

*Units are not standalone pieces. We recommend using end units with arms on all modular configurations due to exposed brackets on armless versions.

PRODUCT FEATURE

Select a solid color acrylic fabric or sling (S) fabric for the back of the Blair fully upholstered pieces. The back fabric can be the same fabric as the cushion or a coordinating pattern. Visit our website for fabric information and options.

Note: Solid color fabrics that have a woven texture or color direction will run the opposite direction on the back of all Blair pieces.
